Hastings Golf Club

When you support the TBG Education Foundation you are helping fund scholarships for students interested in the construction industry as a career as well as grants for equipment to schools that offer construction education. We raise awareness of the jobs available in the trades and provide a career path that is an alternative to college. Not only are you helping provide opportunities for young men and women, but a better future for the trades.

“MBEX is so grateful for the support of the TBG Education Foundation, which makes it possible for us to extend our reach dramatically and offer substantial scholarships to passionate, engaged and committed Minnesotans pursuing careers in construction. With TBG Education Foundation’s support, we can provide scholarships to 10-15 students every year. Students tell us the scholarship money helps them focus on their education, lessens the financial stress and provides an opportunity to get more involved in extracurricular activities.”

– David Siegel, Executive Director of the Minnesota Builders Exchange

We need you to help us continue to provide opportunities for young men and women interested in pursuing a career in the trades!
